

# SoundFun's Wedding Package

We at SoundFun Karaoke are aware of the importance of every detail in a wedding. We also know how complex or how simple this event can be. In order to provide the best experience to our customers, we are ready to discuss all aspects of the ceremony and the reception, with detailed information on the cost, as follows:

## The Ceremony:

It starts at **\$240**, for a ceremony that will last between 30 minutes to 1 hour. This cost already includes one personal meeting, to cover specific songs and any other details. It considers that the ceremony will happen in the same location as the reception (meaning the DJ may use the same set up for both events).

- Additional set up, if required:
  - \$200, if it is within walking distance;
  - \$400, if driving is required.
- Additional meetings: \$60 each
- Ceremony rehearsal: \$60

Please note: West Palm Beach locations include a \$60 travel fee.

## The Reception:

It starts at **\$360** for 3 hours with our Wedding Package, which includes:

- State of the art equipment
- Powerful speakers
- Large Screen w/ Projector;
- Wireless Microphones;
- Club lights;
- Funny Props: Hats, wigs, and masks
- Thousands of Karaoke songs
- All the latest hits
- Songs for kids
- Songs in English, Spanish, Portuguese, and more
- Additional hours: \$120 each.
- Set up of a slide show with provided photos: \$60 (if slide show is provided, no fee is applied).

**A DJ for both your Ceremony and Reception starts as low as \$600!**
